Ward 3 ANC3B Endorses Opening of Klingle Road

In light of recent events in New York and Washington, we at the Coalition to Repair and Reopen Klingle Road have been sensitive to issuing statements and press releases during this tense and tragic time. We have ultimate confidence in our country. In an attempt to return to a sense of normalcy, we offer you the following: Today, we would like to announce that ANC 3B, which represents Ward 3 residents in the areas of Glover Park and Cathedral Heights, voted unanimously to repair and reopen Klingle Road to its original alignment. This endorsement is the latest in a fast growing list of businesses and community groups, advisory neighborhood commissions, civic leaders, labor unions and associations that represent over 100,000 people.
